Grossing Comments: Largest piece measured - see above. P63 performed. ER performed. PR performed. HER2NEU performed. KI-67 performed. P63 performed. E-CADHERIN performed. FISH performed.

Formalin Time In: 08/12/2025 10:31 AM
Formalin Time Out: 08/12/2025 11:50 PM
Formalin Fixation Time: 13 Hrs 19 Mins
Cold Ischemic Time is unknown

Clinical Impression: R/O MALIGNANCY.

This test was developed and its performance characteristics determined by Acupath Laboratories, Inc. It has not been cleared or approved by the US Food and Drug Administration. The FDA does not require this test to go through premarket FDA review. This test is used for clinical purposes. It should not be reported as investigational or for research. This laboratory is certified under the Clinical Laboratory Improvement Amendments (CLIA) as qualified to perform high complexity clinical laboratory testing. Immunostain controls were reviewed and showed appropriate reactivity.
